

Orakei Bay Conference Venue is located in 231 Orakei Road, Remuera, Auckland, 4 minutes walk from the Orakei Train Station. The **Orakei Train Station** is the first train station taking the train to **Manukau** from the **Britomart Train Station** (city centre). Trains from and to Britomart and Orakei leave on a regular basis (see time table).

Arriving into Auckland by plane on the day of the conference, travel to Orakei Bay is best by taking the **380 Airporter** towards **Manukau** until **Papatoetoe Train Station**. From there take the train via **Glen Innes** towards **Britomart** and disembark at **Orakei Train Station**. When leaving from the conference venue to the airport this travel route is just reversed and it does not pay to go back into the city.

The line between **Manukau** and **Britomart Train Station** is called the **Eastern Line** and features modern electric trains that are pleasant to ride on. Tickets for the train need to be purchased before entering the train on either platform. Tickets for the **380 Airporter** are purchased by the bus driver.
